## Cup/Trophy Results

Words James Davies

**Congratulations** to those teams who made their first cup or trophy victory at the beginning of the month. By all accounts some very good and hard fought games took place and some amazing basketball was had by most!

Round 2 kicks off just before the Christmas break with teams winning their first games; those who played away, this time get the home game, with teams being drawn as their opponents. Except for the U17s YBL Trophy, as the two remaining teams have a two-leg final. One home and one away.

The Women's Cup still have two games to be played before we see who will take on either Lasers or Bromsgrove Bears in their second round.

The draws will be on ybl\_basketball YouTube video on Monday 18 November 2019.

### Licences - Final Reminder

From this Friday 18 October 2019, every scoresheet will be checked by the YBL team for accuracy in terms of licence numbers. Any blank space where a licence should be; an incorrect licence entered onto a scoresheet will be issued with a sanction. A coach, referee or table official **does not** have an 'A' licence number. The correct letter followed by all of the numbers (the preceding zeros do not need to be entered), should be entered onto the scoresheet. If you are still waiting on a licence to be issued correctly, then you will need Board approval before they can either play or coach for this weekend.
