

YBL Finance Policy 2023

June 2023

Invoices & Payments

All invoices must be paid by the date provided on the invoice.

Outstanding invoices that remain unpaid after 28 days will automatically be increased by 25%.
The YBL will contact the club by email and or phone regarding the non-payment of the invoice.

A player sanction that results in that individual receiving a financial penalty will be invoiced through the club. If the club wish for the invoice to be sent directly to the individual, you will need to provide the YBL with the contact details for the individual. A player may not participate in any YBL fixtures or events until the player penalty has been paid.

We reserve the right to postpone/cancel or eject a player, team, or club from the league if all reasonable steps have been taken by us to resolve the payment of outstanding invoices.

You may not enter any of the YBL leagues the following season until all outstanding invoices are settled.

We may share this information with the applicable Governing Body.

If an individual, team or club have difficulties with payments please speak to the YBL to prevent any increase in penalties.

Refunds

Team withdrawal prior to the fixtures being issued by the YBL will be entitled to a full refund at the discretion of the Board of Directors.

Team withdrawal after publication of YBL fixtures will not be entitled to any refund.

We consider appeals on a case-by-case basis.

Refunds are by BACs transfer only.

Refunds will be processed within 28 days. Any request for a refund must include the Club's bank account details. Failure to provide this information may result in a delay. We will acknowledge your request for a refund by email and update you again once the transaction has been completed.
