When a team reaches a 10-point or 20-point lead must play half-court defence a 10 (U11) or 20-point lead must play half-court defence. Teams can attempt to rebound, however once the opposition has secured clear possession/control of the ball (including dribbling in their own back court), the other team MUST return into their own half (around the throw-in lines) and may play defence once the ball is in their defensive back court.
