# YBL Championships 2026

## Instruction notes, important dates and explanations

All regular season games must be played on or before **Monday 2 March 2026**. Games not played by this date will be voided for all competitions. This will affect your standings and play-off positions (*Appeals or claims for games **will not** be heard after Monday 2 March 2026*).

The play-off format has now been determined and is enclosed within this booklet along with the dates they must be played by. Where possible these have been added into PlayHQ. If your division Semi-Final or Final is not showing, there may be another competition created for these games. *If your team/game is not currently listed, the YBL will enter your teams into PlayHQ as soon as possible following the previous play-off round or at the end of the season.*

Each team due to host will be expected to play their fixture on or before that playoff week's deadline. If you are unable to host, then the option will go to the visiting team. If neither team can decide then this will go to the Board of Directors for arbitration.

You can move your fixture forward, if you both agree, by using the Game Request function in PlayHQ. However, must be played by the week's end as displayed within your divisional page.

All Championship Finals will be live scored, therefore, all squad lists with eligible players, bench and coaches must be inside your squad list at least 25 hours before your final's game tip.

All Championship games will be held at Bromsgrove School (address listed in sidebar and inside PlayHQ).
