YBL Premier Weekend

Season 8 Gets Underway

2021/2022 Season

James Davies

It's been a long time coming. Now it's here! Tonight sees the premier game of the regular season.

The Under 17 West division sees the action this weekend with the first of three games, starting tonight, with Walsall Wizards hosting Shrewsbury Storm 2, with clashes for SLAM and Shropshire Warriors, with WBA D-Squad and Worcester Wolves finishing off on Sunday. We also see the first game for our Under 15 Primis division, as Northants Thunder travel to Moreton Morell to play hosting team Warwickshire Hawks. These four games will bring the joy back to all involved.

Good luck to everyone this weekend.

Next weekend sees a plethora of games from across the YBL, including Men2 and the Women's Cup, U13 North kicks of with new comers; Abingdon Eagles and Northants Thunder. Our U15 Primis continues with Leadonites and Walsall Wizards taking to the stage and another round for the U17s West.

The first weekend of November sees the remaining leagues commence and the latter stage of November sees our Mini's join the fold.

An exciting season ahead for all. Lets all have a safe and exciting season.
